## Dedication

To you "Miss Seese" we dedicate  
This book of '52,  
As "thanks" for all the work and tests  
You helped to guide us through.

We really do appreciate  
The things you did each day,  
And will recall your faithfulness  
In both our work and play.

Our high school days are being closed;  
One page of life is turned;  
But in our minds the thoughts remain  
Of one--our "thanks" did earn.

## Alma Mater

Faithful and true hearted, let us cheer our dear Old High.  
We revere her and defend her, as her colors proudly fly.  
We will stand for her, united; of her deeds we gladly tell--  
Her colors streaming, glad faces beaming,  
So here's a cheer for her that we all love so well.

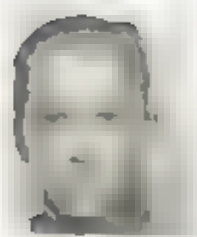

Honors she has taken, in the track and with the ball.  
May she always rank the highest; may her colors never fall.  
There's no other that can match her, when her team is on  
the field.  
Her boys, the fleetest; her girls, the sweetest.  
Then here's a cheer for her--for her who ne'er will yield.

(Refrain)

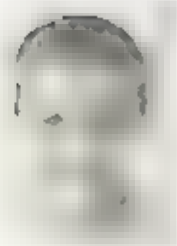

Joyous and ever loyal, let us cheer for our Old High.  
Let every heart sing; let every voice ring. There's no time  
to grieve or sigh.  
It's ever onward, our course pursuing; may defeat ne'er our  
ardor cool.  
But, united, we will boost for her--our Old High School.

## CLASS HISTORY

In 1940 a group of girls and boys entered the Menno Township School in Allensville. These same boys and girls took their high-school entrance test in May, 1948, and entered A. H. S. as freshmen. Main activities of their freshmen year were a visit to the Pennsylvania State Farm Show and a moonlight hike up Stone Mountain. The activities of the second high school year were a visit to the state capital, a tour of Gettysburg, a day at the Pennsylvania State Farm Show, moonlight hike up Stone Mountain, and the trip to Washington D. C. The third high school year found them consolidated with Union Township.

In Union Township the first graders were in charge of Miss Honore. Most of this same group passed the high-school entrance test.

As freshmen they were initiated at the Halloween Party by the seniors. Our sophomore year we sold Christmas cards and received our class hats after choosing our colors, blue and steel. The junior year we consolidated with Menno Township.

As the first junior class of the Menno-Union High School we were busy selecting pennants and rings, and in the spring selling Easter candy and producing a junior class play, Double Trouble, under the direction of Miss Jones. We gave a Junior-Senior Prom which we thought was very successful.

In 1951 eighteen seniors were enrolled on the first day of school. Initiation of the freshmen, senior class play, and the selling of Christmas candy kept the seniors busy the first half of the year. They are now looking forward to the trip to Washington and graduation.

## CLASS PROPHECY

Friday, November 23, Dear Diary, Here it is 1954 already. Time certainly does fly. I had a real surprise today at the office. A very pleasant lady came in to see the doctor. Her little girl was not well. After talking to her I discovered she was an old school mate of mine. Priscilla Perkins. She is now living in Stone Valley. She was doing some shopping here in Harrisburg today. She told me that Ruth Hartzler and Mary Mae Zook are still in the nurse staff at the Walter Reed General Hospital. Richmond E. is now a physician and is the owner of a trucking corporation in Lewistown and Betty S. is a secretary to a lawyer right here in Harrisburg and I didn't ever know it.

Saturday, November 24, Dear Diary, Dr. H. Zimmerman's new nurse arrived today and what a surprise to find it was Audrey Steer. We had lunch together and I got more news about my old classmates. Jean Vetter and Pat Decker are now at the Walter Reed Hospital in Bethesda. Mary and Arthur Stumpf is now a Captain in the U. S. Navy and Ed Grubbs is Sergeant in the U. S. Army.

Sunday, November 25, Dear Diary, Daisy and I drove to Pottsville for the day. A few cars were crowded there so we went there for a while. We met some more old classmates. Paul Paster, their new pastor at a small town, greeted us at the door. Jean Harnett was visiting there, too, and I was to her home for dinner. It certainly was a good dinner. I met a new teacher at the new Home Economics School in Hattington. She told us that Robert Zook is a music teacher at the Virginia Reel and that Donna Fanning is a Licensed Certified Public Accountant in Pottsville.

Monday, November 26, Dear Diary, Picked up the Philadelphia Record and only surprise I learned that Len Vachlav is now the editor of the newspaper. Went to town to see a friend and learned that he had a very good nurse attending her. The nurse was Sally Bailey. I learned from her that Jim Carlin is now in the U. S. Navy.
